Re: Invitation to Spark Festival 2017, Sydney Australia

Warm Greetings

Australia Trade and Investment Commission in Seoul is pleased to invite you to the Spark Festival which takes place from October 13th to 22nd 2017 Sydney Australia. This event will offer valuable opportunities for Seoul Start up Hub.

The Spark Festival is a ten day program of events and activities which showcases, supports and strengthens the vibrant start up and innovation ecosystem that exists in Sydney, and across all of NSW. Most of the events on the program are organised and produced by the community, for the community. With such a large program (100 events in 2016 with more than 6000 attendees!), Spark is an initiative which represents an unprecedented level of collaboration between start-ups, corporates, education and all levels of government.

Your participation will play a great role to make our event more successful. Please visit Sydney from October 13th through to Sunday October 22nd to participate and discuss business collaboration between start-ups, corporates, education and all levels of government.

Thank you!
