Dear Mr. Suski

Please allow me to offer cordial greetings from the Seoul Metropolitan Fire and Disaster Headquarters(SMFDH).

We are planning to improve live-fire training capability of the Seoul Fire Service Academy, our training facility. This improvement program includes learning from experiences and knowledges of other fire services around the world.

It is known that KG PSP has great training facilities and excellent instructors. Accordingly, I would like to ask if a delegation of five firefighters from the SMFDH can visit your organization to learn about its projects, strategies, and accomplishments.

If acceptable, the visit would proceed as follows:

- 1. Purpose of the visit: Learning about PSP's compartment fire behavior training program – planning, administrating, executing, reviewing, instructor and student management, and problems and solutions; Experiencing the actual training (the full cycle of a hands-on training)**
- 2. Propose date of the visit: June 17-19, 2019 (Arrival : June 16 / Departure : June 20)**
- 3. Number of the delegates: Five firefighters**
